

RESOLUTION AUTHORIZING I-JOBS STIMULUS GRANT AND CDBG DISASTER
RECOVERY FUNDING APPLICATIONS
PUBLIC WORKS FACILITY PROJECT
Resolution No. 07282009

WHEREAS, the present Public Works Facility is located within a flood plain; and,

WHEREAS, the present Public Works Facility structure is in need of repair and is inadequate to store equipment and supplies; and,

WHEREAS, the Federal Stimulus program includes an "I-Jobs" component for the creation of new jobs as well as Disaster Recovery Funding for which the City of Toledo and specifically the present Public Works Facility may qualify; and,

WHEREAS, the City of Toledo as been approved to proceed with an application for I-Jobs Stimulus funding; and,

WHEREAS, the Toledo City Council believes it is prudent to apply for the funding with the understanding that the original investment in the application process will be approximately \$1,000 for engineering and architectural work; and,

WHEREAS, the Toledo City Council understands that the application process does not assure award of the grant nor does it commit the City to complete the project if the ultimate stream of funding is insufficient; and,

WHEREAS, the City of Toledo also intends to apply for Supplemental CDBG Disaster Recovery Funding for this same Public Works Facility Project for additional funding for any shortfall between the cost of the project and the "I-Jobs" funding.

NOW, THEREFORE BE IT RESOLVED:

That the City of Toledo shall proceed with the application for the Federal Stimulus program known as the "I-Jobs" program for funding for construction of a new Public Works Facility and with the application for the Supplemental CDBG Disaster Recovery Funding for the same Public Works Project.

Dated this 28th day of July, 2009.

Dear Pam:

The Tama County Economic Development Commission supports the City of Toledo I-Jobs application to replace the Toledo Public Works Facility. This project will replace the flood damaged Toledo Public Works Facility. The new facility will be a local sustainability model. This will demonstrate energy reduction methods to the private sector. The public works facility is a needed resource for city operations and disaster response.

Dear Manager of I-Jobs applications,

This is to inform you that the Toledo City Council and Mayor also the citizens of our community support the application to replace the flood damaged Toledo Public Works Facility. The new building will be a local sustainability model. This will demonstrate energy reduction methods to the private sector. This facility is a needed resource for city operations and disaster response. We appreciate your consideration of this project.

Sincerely Yours;
